- **Selective Service:** In general, all men ages 18 to 25 present in the U.S. (regardless of citizenship or immigration status) are required to register for the U.S. Selective Service. Only men who are in the U.S. in valid nonimmigrant status (i.e. on a student, temporary worker, or visitor's visa) while 18 to 25 are not required to register. If you were required to register at any time when you were in the U.S., even if you are at an age which does not require you to register now, please bring proof of your registration.
  - If you do not have proof of your registration, you can go to the Selective Service web site ([www.sss.gov](http://www.sss.gov)), enter your name, Social Security number, and birth date, and make a print out showing that you registered. Bring this print out with you. Or you can call (847) 688-6888 or (847) 688-2576 to get proof that you registered. You should submit this with your naturalization application.
